

BRAKLEEN

Technical Data Sheet

Creation Date 13/07/2018

Version I

Brakleen is a powerful and highly effective brake and parts cleaner.

Where to use?

Perfect for cleaning and degreasing of all brake and clutch parts. It is safe to use on most rubbers and plastics.

How does it work?

The cleaner comes in a handy spray system that can be used upside down. The formulation is based on multiple active ingredients and efficiently removes oil, grease, traffic dirt and brake fluid very fast. It evaporates fast and is safe for all metal surfaces leaving no residue or stains.

What to expect?

With Brakleen, brakes will last longer and perform better. It will reduce disc-brake squeal and clutch chatter.

Be prepared

- Before use, carefully read and observe the warning texts on the label
- Always make sure to have a good ventilation.
- Avoid open fire or other sources of ignition in the same room.
- Test before use on sensitive materials.
- Dispose empty cans according to your local legislation.

Help for a good application

- Spray liberally and allow to run off.
- Allow to dry at room temperature.
- Repeat if necessary.

Technical data (Aerosol)

Appearance:	Liquid
Colour:	Colourless
Odour:	Citrus
Volume:	250 ML and 500 ML
